

# Bringing People Into *Focus*

Empowering individuals to reach their leadership potential and manage organizations to become more efficient through talent optimization.

# Meet Our Leadership

Frank Bryant views "The Counsel" as a collaborative community where wisdom is shared to increase leadership opportunities and a systematic style of problem solving is implemented to improve Critical Thinking Skills in real world situations. Mr. Bryant is a graduate from Cornell Critical Thinking Program, an Independent Certified Coach and Trainer with the Maxwell Leadership Team, a Project Management Professional (PMP), and has earned his MBA. Frank has been a mentor and facilitator for the Navy leadership development programs for 10 years and received high honors for his leadership in crisis situations.

Frank has navigated the leadership and professional development culture as a program manager and senior project manager for over 10 years with top Inc. 5000 companies and government agencies to support leadership strategies and people resources that are aligned with corporate goals.

The Counsel provides a collaborative and interactive approach to professional development where each person gives 100% effort and receives a 10 to 1 return. Your success leads to another success!! Let us succeed together.

# The Counsel

Unlock your full leadership potential with our transformative Critical Thinking MasterMind. An exclusive opportunity for managers ready to take their careers to new heights. Join a community of ambitious professionals dedicated to growth, collaboration, and success.

## Why Our MasterMind?

We use our proprietary Inner Outer (I/O) You method with a critical thinking foundation. The inner you are self-reflection and personal growth by enabling individuals to assess their beliefs, attitudes, and behaviors in a more objective and analytical manner. The outer you allow critical thinking to play a vital role in developing and fostering corporate growth through innovation,

## What Sets Us Apart?

Led by seasoned leadership experts, our mastermind goes beyond generic leadership principles. Benefit from tailored guidance and personalized support that addresses the unique challenges faced by managers.

## Transformative Learning

Engage in thought-provoking discussions, problem-solving sessions, and hands-on activities that challenge your mindset and empower you to overcome obstacles. Receive expert coaching and feedback to accelerate your leadership skills and achieve measurable results.

## Exclusive Resources

Access a wealth of exclusive resources, including Maxwell Leadership Team, industry reports, leadership toolkits, and recommended readings. Stay ahead of the curve with the latest leadership insights.

## Accountability and Growth

Experience the power of accountability as you work towards your goals alongside motivated peers. Celebrate successes and overcome challenges together, fostering continuous growth and development.

# Our Membership

Our MasterMind group meetings are monthly. These are the meetings you need to commit to attending. This is the opportunity to share your voice as part of a counsel and allow the counsel to offer free advice for leadership growth, workplace challenges, and to solve problems in real time.

The MasterMind training meeting is once a month. These meetings are optional and includes a range of personal and professional topics.
